

liquid defence

Liquid Screen Protection & Screen Guarantee

LIQUID PROTECTION

Maintain your phone's beauty.

STRENGTHENS SCREENS

Nano technology strengthens screens.

RESISTS SCRATCHES

Reduces scratches and abrasions.

EASY APPLICATION

Applies in seconds.

Key Selling Points

- Increases Screen Strength: Nano technology strengthens your screen by filling in the micro valleys in the glass surface.
- Scratch and Abrasion Resistant: Nano technology has been proven to reduce abrasions and scratches up to 47% over an unprotected screen.
- Liquid Defence comes with a fully insured screen guarantee protecting you from screen repair costs if your device screen breaks.
- Maintains Your Phone's Beauty: Liquid Defence goes on invisibly, so you can enjoy the look of your phone without a case or other screen protector.
