T2110  
RoboVac R450

“BEST OVERALL - EUFY ROBOVAC 11S WITH BOOST IQ... This smart Eufy RoboVac is an affordable and versatile little vac bot that has a particularly good design.

**BUSINESS INSIDER**

“BUDGET PICK - For just \$220, the Eufy RoboVac 11S is significantly cheaper than every other robot vacuum we tested, but it's just as good at cleaning.”

“These are great cleaners, rarely get stuck, run much quieter than anything we’ve tested, and fit under more furniture.”

**SLIMMER DESIGN.  
JUST AS POWERFUL.**

The upgraded RoboVac R450 is only 72.5 mm thin but packs 1300Pa of suction strength.

**Ultra-Slim**

72.5 mm ultra-slim design enables RoboVac to clean areas under furniture with ease.

**Strong Suction**

Maximum suction power has been boosted to 1300 Pa for better extraction of dirt and dust from carpets and floors.

**BoostIQ™ Technology**

Suction power is automatically increased if RoboVac detects stronger power is needed to ensure the best clean.

**Always Prepared to Clean**

RoboVac automatically returns to the charging base when power is low, ensuring it's always charged and ready to vacuum.
