## Specifications

### Performance

**Operating system**
**Storage**

### Software

**Service & support**
HP Click, HP mobile, ePrint and iOS/Android support plus the HP Smart app for mobile, HP Web Jetadmin, HP JetAdvantage Security Manager, HP SmartTracker (optional)

### Additional information

**Ecolabels**
ENERGY STAR® qualified

**Weight**
Single-roll: 106 kg, dual-roll: 109 kg;
Packed: Single-roll: 137 kg, dual-roll: 142 kg

**Dimensions**
1390 x 760 x 1240 mm;
Packed: 1477 x 767 x 800 mm

**Manufacturer Warranty**
Two-year limited hardware warranty. Warranty and support options vary by product, country and local legal requirements.

**Included accessories**
HP DesignJet T2600 Multifuntion Printer, printer stand and media bin, 15.6" touchscreen, spindle(s)[8], printheads, introductory ink cartridges, user guide, power cords

**Security management**

## Recommended accessories

* Not included.

HP Jetdirect 3100w
BLE/NFC/Wireless
Accessory
3JN69A

HP HD Pro 2 42-in
Scanner
5EK00A

HP SmartTracker USB for
DesignJet
5NB95A

## Key Selling Points Footnotes

[1] Compared to Canon Direct Print & Share and based on "One Click Print." Once image is selected, one-click printing when printing the entire file without any modifications to the print settings. Applicable to PDF, JPEG, TIFF, DWF, HP-GL/2 files.
[2] Using Lightweight Directory Access Protocol (LDAP).
[3] Based on comparable large-format inkjet printers under €12,000 as of December, 2018. IDC figures show that Canon, Epson, and HP combine for 98% share of this printing category worldwide as of Q3, 2018. Most compact footprint calculated using all devices in "Operation mode" with an Open Basket and the arm of the Screen (front panel) spread out to enable user interaction and the scanner lifted on the Canon TX 3000 T36 MFP and the Epson SC-T5200 MFP to enable top media loading. Most quiet according to internal HP testing of sound pressure level during operating mode (plain paper, line drawing, Normal mode) compared to published specification of competitive printers. Percentage calculations of noise based on lineal units vs. Canon TX-3000 published spec of 51dB(A). Fastest print speed based on sustained printing speeds. Only automatic print stacking based on unicity of the integrated stacker versus competitive printers only offering basket or bin with stacking position.
[4] Requires purchase of the HP DesignJet T2600 PostScript® models or optional HP DesignJet PostScript/PDF Upgrade Kit. Highest accuracy and finest details compared to printers without the embedded Adobe technology excluding RIP users, and based on internal HP testing with PDF files containing special fonts, PANTONE® colors, smooth shading, overprint, and transparencies that can only be reproduced using the Adobe PDF Print Engine. The Adobe PDF Print Engine (APPE) is Adobe's high speed, high fidelity print platform. To learn more, visit http://www.adobe.com/products/pdfprintengine.
[5] Dual rolls included with HP DesignJet T2600dr multifunction printers only.
[6] Advanced embedded security features are based on HP review of 2019 published embedded security features of competitive printers, as of February 2019.

## Technical Specifications Footnotes

[1] Mechanical printing time. Printed in Fast mode with Economode on, using HP Bright White Inkjet Paper (bond) and Original HP inks.
[2] ±0.1% of the specified vector length or ±0.2 mm (whichever greater) at 23ºC (73ºF), 50-60% relative humidity, on A0/E HP Matte Film in Best or Normal mode with Original HP inks
[2] ±0.1% of the specified vector length or ±0.2 mm (whichever greater) at 23¼C, 50-60% relative humidity, on A0 HP Matte Film in Best or Normal mode with Original HP inks
[4] Scanned at 200 dpi. PDF scanning available on PostScript models only.
[5] Applicable for dual-roll printers only.
[6] From A4 to A0, with up to 100 A1-size capacity.
[7] Based on 8 GB RAM.
[8] Single-roll printers come with one spindle, dual-roll printers come with two spindles.
