### WHY YOU SHOULD BUY THE LENOVO YOGA 920 VIBES

#### Standout style

Screened onto sleek, durable Gorilla® Glass, Louis Aymonod's unique "Vibes of Elegance" design represents the best in contemporary design. Featuring polished CNC aluminum built to withstand wear and tear, Yoga 920 Vibes is as tough as it is elegant.

#### Stunning 4K clarity

Your entertainment will pop on the wide-angle 4K display. By shifting intricate components, we were able to edge the screen with razor-thin 5 mm vertical bezels that will make the absolute most of your visuals.

#### Do more with Lenovo Active Pen 2

Featuring pin-point accuracy and palm-rejection technology, the Lenovo Active Pen 2 emulates the easy comfort of a pen-on-paper writing experience, with twice the accuracy of competitors' pens. And thanks to Windows Ink, you'll discover all the ways you can turn thoughts into action: Draw on a map and instantly receive turn-by-turn driving directions, and more.

#### Always working for you

Meet Cortana, your own voice-activated digital assistant who is prepared to answer your questions, open necessary apps, and more. Better yet, Yoga 920 Vibes responds to spoken questions and instructions in standby mode—from up to 4 meters away.
