- Wet and dry system

Always at hand

- Slim charging base for wall and table

Cordless cleaning power wherever you want

- Powerful rechargeable batteries

Easily cleans delicate surfaces and narrow spaces

- Brush tool, crevice tool and squeegee tool

Highlights

Extended nose piece

The Philips Mini Vac FC6055 series has a long, narrow nose especially designed for precision cleaning. The extended nose piece makes it easy to clean in corners and along curves.

Wet and dry system

The FC6055 lets you clean both liquid spills and dry dirt in comfort with its wet-and-dry system, so you are ready for anything.

Slim charging base for wall and table

You can store the Philips Mini Vac on the convenient charging base, mounted on a wall or placed on a table. This means the Mini Vac, with its powerful rechargeable battery, is always ready when you are.

Powerful rechargeable batteries

The Philips Mini Vac's rechargeable battery gives you the freedom of cordless cleaning wherever you want.

Brush tool, crevice tool and squeegee tool

The Philips Mini Vac comes with a number of accessories to tackle any job with ease. The squeegee tool helps you suck up all liquid spills with ease. The soft brush attachment is gentle on delicate surfaces and the crevice tool lets you clean even those awkward, hard-to-reach places.
