

# NGS PREMIUM PORTABLE BOOMBOX STREET BREAKER MINI

## 2.2 SYSTEM-100W-BT TWS-USB- AUX IN-LED SCREEN-LED LIGHTS

NGS Street Breaker Mini is a powerful and lightweight Boombox that you will be glued to.

Enjoy this 2.2 portable Bluetooth speaker (double 3" subwoofer + double 2.5" tweeter) that brings your party to life thanks to its sound, led lights, portability and multiple functionalities. Get the party started!

NGS Street Breaker Mini is a 100W wireless speaker that outstands for its compact and urban design that brings your party to life creating festival vibes anywhere.

The speaker features a rechargeable 3.600 mAh Li-Ion battery that can keep the music playing more than 4 hours and is equipped with a handle to assist with carrying.

Enjoy music both indoor and outdoor: beach, city, countryside, camping, living room, and fill up with rhythm your home or the streets.

It includes a microphone input for your karaoke sessions, furthermore it is also equipped with 7 colored Led lights that can be fixed or play them randomly to add a party touch.

Amplify the sound, you can pair two devices simultaneously and increase the sound power thanks to its **True Wireless Technology**.

Create a soundtrack for each moment of your life thanks to the different ways to play music.

This speaker is compatible with Bluetooth Technology, and is equipped with USB port, Micro SD card and Audio Aux input to connect external devices.

Finally, it features a Led screen and simple and easy access buttons on the front part: Play/Pause, FWD and REW, 2 EQ modes and Bass Control.
