

DARAY01W

DARAY FHD Wireless Pan/Tilt Cloud IP Camera, 1080P

Keep an eye on your home or office area from any location. This wireless network (IP) camera is ideal for remotely monitoring different spaces, with pan and tilt features as well as advanced motion detection. With a built-in microphone for two-way communication, the camera is designed for use at home in an area such as a baby's bedroom or living room where expensive equipment is kept, as well as for business use; monitoring a reception area or warehouse. By connecting the IP camera to a wireless router, access the live images recorded by the camera from any PC or notebook. With cloud functionality, images can be viewed from any location in the world. Built-in infrared LEDs enable night-time monitoring and the agile pan and tilt functions allow secure viewing of every corner for ultimate peace of mind.

Highlights

- > Monitor your home or office from anywhere in the world
- > 1/2.7" Progressive CMOS, 1920 x 1080 HD
- > Easy wireless setup via mobile app
