

# Portable USB-C to HDMI Adapter with Quick-Connect Keychain

Product ID: CDP2HDFC

This compact USB-C™ to HDMI® adapter offers an ultra-portable solution for connecting your USB Type-C laptop or other device with a USB 3.1 Type-C port to a 4K HDMI monitor or display. The adapter is equipped with a removable, quick-connect keychain ring that easily attaches to your laptop or projector bag, maximizing portability.

## Perfect Travel Companion

This lightweight USB-C video converter can easily be taken with you wherever you go. It conveniently attaches to your carrying case and is small enough to fit in your pocket, making it ideal for BYOD (Bring Your Own Device) applications at the office or road warriors who need to connect on the go.

It's the perfect solution for:

- Delivering high-resolution presentations while in the office or traveling
- Connecting your smartphone or tablet to an HDMI monitor
- Hot-desking environments

## **Keep Your Adapter with You**

Avoid misplacing your display adapter with the attached keychain that securely snaps to your carrying case so you can always keep it with your devices; the keychain can easily be removed or reattached to the adapter so you can customize it to your preference and need. The adapter also features a built-in 1.3 in. flex cable that has a folding design, adding to the compact form factor.

## **Plug-and-Play Connectivity**

To ensure a hassle-free connection, this video adapter works with all your Mac and Windows® USB Type-C™ devices and is also compatible with Thunderbolt™ 3. It requires no additional software or drivers, supporting true plug-and-play connectivity.

CDP2HDFC is backed by a StarTech.com 3-year warranty and free lifetime technical support.
