

Laptop Privacy Screen for 15" Notebook - Magnetic Removable Laptop Display Security Filter - Blue Light Reducing Screen Protector - 16:9 - Matte/Glossy - +/-30 Degree

Product ID: PRIVSCNLT15

Easy Magnetic Installation

The laptop privacy screen is very easy to install and remove. Simply attach the adhesive magnetic strips to the bezel of your display then align the notebook privacy filter with the strips. This black out privacy screen is also reversible. The matte side provides you with glare reduction and the glossy side of the privacy screen will provide you with increased clarity. In order to close and put your laptop to sleep the privacy screen must be removed. A protective folder is included so you can protect the privacy screen from damage when not in use. The privacy screen is also extremely easy to clean when removed from your laptop.

Protect your Privacy

The laptop privacy filter is a great investment if you want to protect your privacy. It is a convenient and cost-effective way to keep your classified information, intellectual property or any other important data you wish to keep protected. Whether travelling, working in the office or sitting in a busy coffee shop, you can have a peace of mind because you know your screen is protected with the 30+/- degree privacy viewing angle.

Blue Light Reduction

The display privacy filter is designed to filter blue light (390nm~480 wavelength) that can cause digital eye strain and can disrupt sleeping patterns.

The Choice of IT Pros Since 1985

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to IT Professionals. Our local StarTech.com Technical Advisors have broad product expertise and work directly with our StarTech.com Engineers to provide support for our customers both pre and post-sales.

The TAA compliant PRIVSCNLT15 is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Keep classified information, intellectual property or any other important data you wish to keep protected from view in working in the office or a coffee shop
- Protect your laptop display from dust and debris
- Perfect for protecting private information while travelling long distance and working on a plane or commuting on public transportation

Features

- **PROTECT SENSITIVE DATA:** This laptop security filter provides effective privacy from outside a 30° viewing angle to ensure data on your laptop screen is kept confidential in the office or traveling
- **EASY APPLICATION:** Add a durable screen protector to your laptop display to protect from scratches, fingerprints, & dust that is easily removable w/ magnetic strips that won't leave a permanent residue
- **BLUE LIGHT REDUCTION:** In addition to protecting your data, this laptop privacy screen minimizes digital eye strain by reducing blue light by 30% to 40% when working for extended periods of time
- **FULLY COMPATIBLE:** Universal fit and won't interfere with top-mounted webcams on 15" 16:9 notebooks like Dell Precision M3800, Acer Aspire 5733, and HP EliteBook 840 G5 among other top brands
- **REDUCE GLARE OR INCREASE CLARITY:** Reversible computer privacy filter retains sharp and consistent image quality in any lighting with an anti-glare matte-finish and a high-clarity glossy-finish
