i-tec Built-in Desktop Fast Charger, USB-C PD 3.0 + 3x USB 3.0 QC3.0, 96 W

i-tec Built-in Desktop Fast Charger, USB-C
PD 3.0 + 3x USB 3.0 QC3.0, 96 W

PRODUCT DESCRIPTION

A handy charger, ergonomically designed for your daily charging needs at your desk. A few minutes of easy installation and you will never again be lacking for a much needed charging port while working.

The charger offers a total of three* USB-A ports with Quick Charge 3.0 support. They are designed for quick and efficient charging of mobile devices requiring high charging current (to make full use of the benefits of Quick Charge 3.0, the connected devices must support Qualcomm technology, as found on selected Samsung, HTC, Sony, LG, Xiaomi and other phones). These USB-A ports can also quickly charge devices that do not have native Quick Charge support, such as Apple iPhone or iPad.

The USB-C port is capable of supplying devices with a total input power of up to 60 W, which is sufficient to power the majority of current laptops or tablets fitted with USB-C Power Delivery technology, even those with higher input power (e.g. 85 W).

Overcurrent protection and stable supply current ensure safe use without risk of damaging the connected device.

* Two ports are located on the top of the charging head and the third is a part of the power adapter (designed for under-table installation).

PRODUCT FEATURES

- Input voltage AC 100-240 V, 50-60 Hz
- Output power (max.): 96 W
- USB-C PD 3.0 output voltage: DC 5-20 V (automatic detection)
- USB-C PD 3.0 output current: max. 3 A
- USB-A QC 3.0 output voltage: DC 5-12 V (automatic detection)
- USB-A QC 3.0 output current: max. 2.4 A
- Protection against: current overload, overvoltage, short circuit and overheating.

- Operating temperature: 0°C – 40°C
- Product dimensions: 90 x 25 mm
- Diameter: 60 mm
- Product weight: 244 g
- Package dimensions: 200 x 130 x 61 mm
- Package weight: 527 g

SPECIFICATION

Part Number	Product Description & EAN
CHARGER96WD	i-tec Built-in Desktop Fast Charger, USB-C PD 3.0 + 3x USB 3.0 QC3.0, 96 W EAN: 8595611703355
Hardware	
Bus type	-
Ports/Connectors	
System Requirements	
Operating system	Windows 10 - Automatic installation of OS drivers. Other operating systems - manual driver installation. Firmware updates automatically.
Other features	
Colour	black
Housing Material	plastic
Product Dimensions	90 x 25 mm
Product Weight	244 g
Package Weight	527 g
Packaging Dimensions (LxWxH)	200 x 130 x 61 mm
Support	
Warranty period	2 years
Technical support	lifetime
Package contents	
i-tec Built-in Desktop Fast Charger	
Optional installation ring	
Screws	
96 W power supply	
Instruction manual
