# Highlights

## Durable key character printing

The keys will survive the daily wear and tear of the toughest typing thanks to their laser printed letters. The characters are etched into the keys themselves so they survive far longer than traditional printed keys.

## Hotkeys for Multimedia control

Multimedia hotkeys are instant shortcuts to key features, making it easy to get the music you want, when you want it. The hotkeys are programable and can be set to open any multimedia program. No more searching. Just instant access.

## Soft touch comfort keys

The soft touch comfort keys are easy on your fingers, saving you effort and strain. The keys have been specially designed to respond to the lightest touch, so you don't need to hit the keys hard to type. Now you can enjoy greater comfort while you work for long periods.
