## UNIVERSAL XL FLAT SCREEN TROLLEY

As part of B-Tech's Designer Trolley range, the BT8564 is a high-end mounting solution which adds a touch of aesthetic class to any mobile display requirement. Available in a choice of black, silver and white, with contrasting dual colour accents and a triangular shaped column, the BT8564 has a modern, contemporary look and is universally suitable for mounting screens in both landscape and portrait orientations. Levelling screws allow post-installation screen levelling and integrated cable management keeps finished installations looking neat and tidy.
