BT7385

FULL MOTION WALL MOUNT WITH DOUBLE ARM

The BT7385 is a full motion, double arm wall mount designed for monitors and displays up to 28". The dual articulated arm features 360° screen rotation, easy tilt and height adjustment and three swivel points; 180° at the wall, 360° at the central pivot and 220° at the interface. This allows quick and easy repositioning of mounted displays to suit a range of different purposes as required. Cable management is integrated throughout the mount for a clean and tidy installation.
