BT5964

CCTV CEILING MOUNT FOR A TILTED FLAT SCREEN & DOME CAMERA

SYSTEM V™

The BT5964 is a CCTV ceiling mount designed for a small to medium-sized dome security camera and a medium sized, tilted flat screen display. Available with a 1 or 2 metre ceiling drop, the BT5964 features integrated cable management allowing cables to run through the centre of the pole and out through either the top or side of the ceiling mount, ensuring finished installations are neat and tidy. For longer drops, the pole length can be extended with a joiner (BT5924) and additional poles (BT5935) from the System V Range, whilst accessories such as a flat screen can be added with the use of a ø38mm accessory collar (BT5952) and compatible screen mount.

SPECIFICATION

Recommended screen size	up to 47"
Max. screen load	25kg
Max. camera load	5kg
Tilt of screen	+ / - 15°
VESA® screen compatibility	up to 200 x 200
BT5964-FD100 drop length	1036mm
