- High performance nozzle

- Triple burst customizable settings

The easiest way to effectively clean between teeth

- Takes just 60 seconds: Point, Press, Clean!
- Total daily confidence of a fresh and clean mouth
- An easy way to start a healthy habit

PHILIPS

Features

Better gum health

Philips Sonicare AirFloss Pro is clinically proven to improve gum health as much as floss.** Helps improve gum health in as little as two weeks.

Up to 99.9% plaque removal

Removes up to 99.9% of plaque from treated areas.***

Helps prevent cavities

By gently bursting away plaque that brushing missed, Philips Sonicare AirFloss Pro helps prevent cavities from forming in the spaces between your teeth.

Micro-droplet technology

Our clinically proven results are possible from our unique technology that combines air and mouth rinse or water to powerfully yet gently clean between teeth and along the gumline.

High performance nozzle

The new Airfloss Pro high performance nozzle amplifies the power of our air and micro-droplet technology to be more effective and efficient than ever.

Triple burst customization

AirFloss Pro's powerful spray can be customized to your liking, with single, double or triple bursts for each press of the activation button.

Cleans in just 60 seconds

With the AirFloss Pro, cleaning your entire mouth takes less than 60 seconds a day. Simply select your burst frequency (single, double or triple), and hold down the activation button for continuous automatic bursts or press and release for manual burst mode.

Fresh & clean with mouthwash

Fill the reservoir on the handle with either mouthwash or water, then point and press. Use with mouthwash for the ultimate fresh experience and anti-microbial benefits.

Easily start a healthy habit

Interproximal cleaning is very important to overall oral health. AirFloss is an easy way to clean deeper between teeth, helping to form a healthy habit.
