**PHILIPS**

## Bluetooth-enabled

Bluetooth is a short range wireless communication technology that is both robust and energy-efficient. The technology allows easy wireless connection to other Bluetooth devices, so you can play your favorite music from any smartphones, tablets or even laptops including iPod or iPhone on Bluetooth-enabled speaker easily.

## USB and SD card slots

Thanks to the complete file transferability, you can easily enjoy the convenience and fun of accessing more music and photos via the USB and SD card slots.

## FM tuner

The built-in FM tuner lets you enjoy your favorite songs or news from your radio station every day. Simply tune into the station that you want to listen.
