Highlights

Access to all controls

The openings on this case allow convenient access to all controls and dock connector, so you can use your device while it's protected inside the case.

Shock-absorbing case

This case is made out of thermoplastic polyurethane which is a high-performance elastomer to add both grip and shock-absorption in one unique case.

Wrap-around protection

The material of this case wraps around from back to front, providing protection for the corners and perimeter of your device's face.

Protection in a snap

This case is made from a durable material that is custom made to fit your device perfectly. The case is quick and easy to put on, and adds a layer of protection to your device.

Slim design

This case is designed to add protection with minimal bulk, so you can easily carry your device in your bag or backpack for protection on the go.
