## HP Long Life Battery (6-cell Equivalent Capacity)

### HP Long Life Battery (6-cell Equivalent Capacity)

Safe, tested, and easy-to-use, the HP Long Life Battery offers equivalent capacity to traditional 6-cell batteries, with a smaller environmental footprint and a longer warranty than most other batteries.

- **Do your part for the environment!**

The HP Long Life Battery is built with Ecolabel Certified Boston Power "Sonata" battery cells so you can buy a single battery that lasts three years, reducing the number of used batteries that end up in landfills.

- **Enjoy greater ease of use!**

The HP Long Life Battery is easy to replace yourself, without technical assistance.

- **Choose from flexible solutions for total peace of mind**

With up to three years of warranted performance, you can enjoy the entertainment and productivity features of your notebook for longer than with standard solutions.

- **Get the level of safety you demand**

The HP Long Life Battery is packed with safety features like special insulation around the cells and a fire-retardant casing around the entire battery, plus additional protection against short circuits.

- **Select only the best battery for your Notebook!**

The HP Long Life Battery is thoroughly tested with all compatible HP Notebook PCs, so you know you are getting the best battery for your Notebook and your needs.
