HP Photosmart Premium Fax All-in-One Printer

Enjoy wireless freedom¹ with this versatile all-in-one. Get more done with high productivity tools like built-in fax, easy print/copy and duplex automatic document feed, and creative features such as Bluetooth®-connectivity and CD/DVD printing.

The HP Photosmart Premium Fax All-in-One is designed for busy home users looking for a wireless all-in-one that will help them do more in less time – from multi-page printing, scanning, copying and faxing to photo, CD/DVD and Bluetooth® printing.

Experience complete versatility – do it all with one feature-packed, easy-to-use device.

Print laser-quality documents and lab-quality photos with this ultra-versatile device. Place stacks of single- or double-sided papers into the automatic document feeder and leave to fax, scan or copy while you get on with something more useful. Fax with or without a PC, in colour or black and white. Print directly onto CD/DVDs³ to create professional-looking archives and photo albums. Discover the convenience of Quick Forms – print Sudoku games, music paper, check lists and more.

Enjoy the freedom of wireless networking 2 – plus other connectivity options too.

Print when, where and how you want with a full choice of connectivity options. Share the performance between multiple notebooks and PCs and print from virtually anywhere in the home with built-in 802.11g wireless networking², or connect via Ethernet for a secure wired connection. Enjoy easy printing direct from your Bluetooth®-enabled devices including camera phones and PDAs, or print direct from a digital camera memory card using the card slots and colour display.

Control your costs with affordable individual inks and paper-saving features.

Enjoy the affordability of five individual HP Vivera Ink Cartridges – just replace each cartridge separately. Make your money go further – get 3x more black pages and 2.5x times more colour pages with optional high capacity cartridges⁴. Save up to 50% on paper costs too with automatic two-sided printing, and use HP's Paper-saving Printing option to combine two documents on a single side of paper. Choose this ENERGY STAR®-qualified device and help protect the environment.

¹ Wireless performance is dependent upon physical environment and distance from access point.

 $²_{
m Wireless}$ performance is dependent upon physical environment and distance from access point

³ Requires printable CD/DVDs; not included, sold separately

 $^{^4}$ Compared with HP 178 Black/Colour Ink Cartridges; high-capacity cartridges not included, sold separately.
