HP Photosmart Wireless All-in-One Printer

Discover the freedom of wireless printing¹ with this versatile and easy-to-use device. Get great everyday documents and lab-quality photos with affordable individual inks. Scan and copy too via the colour display and HP TouchSmart frame.

The HP Photosmart Wireless All-in-One is designed for home users who want to be able to print everything from lab-quality photos to everyday documents – and scan and copy too – from one compact and easy-to-use device with affordable individual inks.

Go wireless and enjoy the freedom to print from virtually anywhere in the home².

Give yourself the freedom to print from virtually anywhere in the home with this versatile wireless all-in-one². Get set-up with the minimum hassle – simply touch one button to connect to your wireless network³ and share fast, reliable printing between multiple notebooks or PCs. No wonder more people have chosen HP wireless printers than any other leading brand.

Print with affordable, individually replaceable HP Photosmart ink cartridges.

Enjoy efficient, reliable printing with Original HP inks – four individual HP Photosmart inks mean you only ever have to replace the cartridges that run out. Get up to 3x more black printed pages and 2.5x more colour printed pages with optional XL ink cartridges⁴. Save energy costs – and reduce your impact on the environment too – with this ENERGY STAR® qualified all-in-one. Use the paper-saving option to print multiple pages on both sides of a sheet of paper.

Get great results with web pages, documents, photos and more using easy HP tools.

Get more done, more easily. Use the colour display with HP TouchSmart frame to view, select and print photos without a PC. Follow the intuitive menus to scan anything from everyday documents to favourite photos or to make quick colour copies. Get goof-proof, drag-and-drop photo printing with the HP Photo Print Gadget⁵ and more efficient web page printing with HP Smart Web Printing⁶. Be sure of impressive results whatever you print, with laser-quality text and vivid colour graphics.

- $1\,$ Wireless performance is dependent upon physical environment and distance from access point.
- $2_{\mbox{ Wireless performance}}$ is dependent upon physical environment and distance from access point
- 3 Requires a WPS router with an integrated push-button; wireless performance is dependent upon physical environment and distance from access point
- 4 Compared with HP 178 Black/Colour Ink Cartridges; XL cartridges not included, please purchase separately
- 5 Requires Windows Vista®
- 6 Requires Microsoft Internet Explorer 6.0 8.0.
