

PRINT VIVID COLOURS and
get **fade-resistant** faxes

HP Officejet J3608 All-in-One

Fax, copy, scan and print—in full colour

Don't settle for a standalone fax machine. Stay productive with full colour fax features together with built-in phone, print, copy and scan functions—all in a single device.

Enjoy fast print and copy speeds of up to 20 ppm black, 14 ppm colour, and full colour, high-quality scans with 1200-dpi and 48-bit colour.

For added convenience, the built-in 20-page automatic document feeder allows unattended printing, copying and faxing of multiple-page documents.

Draft speeds
up to

20 ppm
black

14 ppm
black

Rely on advanced fax features

Easily manage your fax communications with convenient and easy to use fax features. Send and receive documents at a speed of up to 3 sec/page and 300-dpi resolution. Plus, prevent missed or lost faxes and handle large volumes with a 200-page memory function¹.

What's more, convenient one-touch buttons with 100 speed dials in memory let you fax frequently dialled numbers efficiently.

Send and receive
faxes at up to
3 sec/page

Get documents and faxes that you can archive

Faded faxes are now a thing of the past with the new HP Officejet J3608 All-in-One.

With Original HP ink and paper, you can print and archive laser-quality text and faxes that retain their black text and colour quality for decades.² Protecting all your important documents and faxes just got easier.

Laser-quality documents
with HP Original Supplies

¹ Based on ITU-T Test Image #1 at standard resolution. More complicated pages or higher resolution may reduce number of pages stored in memory.

² Based on paper industry predictions for acid-free papers; colourant stability data at room temperature based on similar systems tested as per ISO 11798 and ISO 18909.

HP Officejet J3608 All-in-One
