

HP's most affordable,
black-and-white multifunction
printer with advanced
fax features.

WHAT DO YOU HAVE TO SAY?

HP LaserJet M1319f MFP

Take advantage of a compact, easy to use laser MFP that combines printing, copying, scanning and faxing in one well-rounded device. The HP LaserJet M1319f MFP is HP's most affordable black-and-white multifunction printer, delivering high quality laser output, improved fax capabilities, and the ability to scan in colour. Combining great value and capabilities, it is the one integrated device for any thriving businesses.

4-in-1 plus advanced fax features with the HP LaserJet M1319f MFP

PRINT

- Professional print speed¹ of up to 18 ppm (A4), 19 ppm (letter)
- Instant-on technology² delivers first-page-out in less than 8.5 seconds
- Print graphics-intensive files fast with 32 MB device memory and 240 MHz processor

SCAN

- CIS colour scanner for high resolution scans
- Professional scans at resolutions up to 600 x 600 dpi (up to 19,200 dpi enhanced)
- 30-sheet ADF scanner for unattended scanning

COPY

- Instant-on Copy starts copy in less than 12.6 seconds
- Reduce or enlarge copy jobs from 25 to 400% easily
- Two-sided printing with automatic copy collation

FAX

- Send and receive fax via PC saves time and enhance security
- Securely store faxes and print when you want to with private receive
- Fax/Tel allows the device to monitor incoming calls, determine if a call is voice or fax, and ring to notify you of voice calls
- Store up to 500 fax pages with fax storage

HANDSET

- Built-in handset³ also doubles up as a phone
- Save cost with a single phone line for both phone and fax

PAPER HANDLING

- Monthly duty cycle up to 8,000 pages
- 100-sheet face-down output bin
- 10-sheet priority slot
- Adjustable 250-sheet input tray
- 30-sheet automatic document feeder (ADF)

RELIABILITY

- Proven HP LaserJet printer engine and HP's legendary reliability and ruggedness
- Backed by HP's award-winning customer service and support

¹ Exact speed varies depending on the system configuration, software program, and document complexity.

² Instant-on technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so the print job is done sooner.

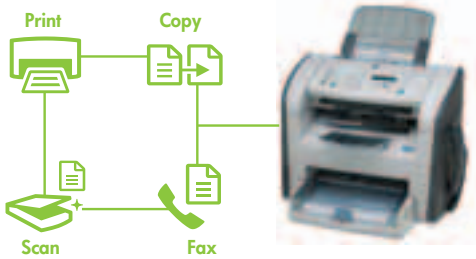

³ Requires caller ID service, not included. Price and service available only in countries where caller ID is available.

Save time and effort with enhanced office efficiency

Packed with innovative and time-saving features, this device helps boost office productivity with its superior speed performance.

One device with multi-tasking capabilities. Combining four functions into one compact device, the HP LaserJet M1319f MFP lets you print, copy, scan and fax with ease. This is one device that not only multi-tasks, it also lets you perform tasks quickly and efficiently.

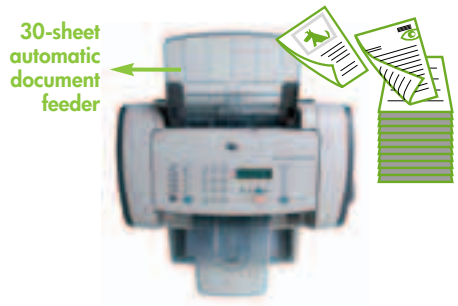

Save with instant results. Get fast first-page-out in less than 8.5 seconds. With Instant-on technology¹, the Time To Completion (TTC)² of a typical office print job is two times faster from low power mode than on devices without it. This technology also uses up to 50% less energy than traditional fusing, making it more energy-efficient. Lower power consumption translates to lower utility bills.

Save time, cost and energy. Get instant copies and scans with Instant-on Copy. Utilising LED light source — an already-stable, instant-on light source — it does not require warm-up for scanning, so copy jobs can begin quickly from low power mode. This LED-based technology is cleaner, more reliable and energy-efficient so you can reduce the cost of owning a MFP.

Greater ease and productivity. With a 30-sheet automatic document feeder (ADF), enjoy unattended scanning, copying and faxing. Further boost your office productivity with automatic copy collation.

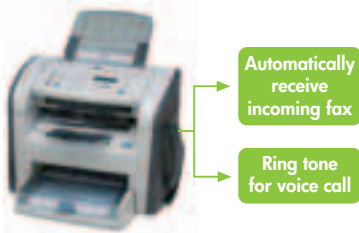

¹ Instant-on technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so the print job is done sooner.
² An InfoTrends study shows the typical office print job is three to five pages long: www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf
See HP average print time versus competition: www.hp.com/go/whywait

Boost productivity with advanced fax features

Benefit from improved productivity and cost-savings with a suite of innovative features designed to make business communications simpler, easier and smarter.

No need for an extra phone line. With Fax/Tel functionality, the MFP intelligently identifies whether incoming calls are voice or data calls, so there is no need for a separate phone line.

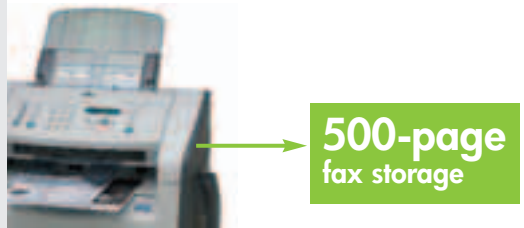

Print confidential faxes at your convenience. With private receive function, you can securely store faxes on the MFP and print them when you need to using a private PIN code.

Simplify document workflow and save on cost. Send and receive fax on your PC via the MFP for greater convenience without having to print, and your business can save on printing cost while enjoying improved productivity.

Store and print faxes at your convenience. The device stores up to 500 received pages. Store faxes on the device until you are ready to print them.

Easy access added convenience. Save up to 120 frequently used numbers on the device and employ them at the touch of a button with fax speed dial.

Effortless operation. Set-up wizards and installers help you get started and give you a device that is easy to use, install, operate, and maintain.

Easy to use with versatile features

Designed with intuitive features, this user-friendly and easy to maintain device helps you perform tasks more effectively.

Added feature without added cost. This MFP comes equipped with an integrated handset¹, which doubles up as an office phone, eliminating the need for a separate phone line.

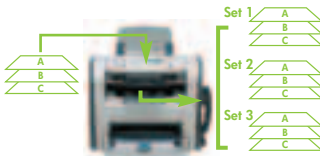

Easy to use and manage. Intuitive control panel with two-line display provides instant printer and supplies information. Now available in several localised languages for greater versatility. Plus, functional front-door design makes it easy to maintain and replace cartridges.

Two-line back-lit control panel

Improve productivity with less manual work.

The automatic copy collation feature eliminates the need to manually reshuffle multiple-page copy jobs, saving valuable time.

High quality results assured. Original HP print cartridges with integrated imaging drums are designed for consistently outstanding print quality and reliable printing, ensuring cost savings for your business.

HP LaserJet quality and reliability

Backed by renowned HP reliability and support, your business can have total confidence and peace of mind with the HP LaserJet M1319f MFP.

Around the clock service and support

HP LaserJets are backed with a one-year limited warranty including phone support 24/7 one-stop access to tools and information for self-help troubleshooting. You can also choose to enhance your warranty protection with a wide selection of affordable HP Care Pack Services.

PC Magazine Readers' Choice Award for service and reliability for 16 straight years.

¹ Requires caller ID service, not included. Price and service contract must be negotiated separately. Junkfax blocker available only in countries where caller ID is available.

HP's commitment for a safer environment

With HP's Design for the Environment initiative, products are designed with their entire life cycle in mind — from product design to manufacturing, and from usage to recycling — in an effort to reduce energy, paper, packaging and materials used. By providing customers with safe, high quality products that are environmentally-sound throughout their life cycle, HP aims to reduce the environmental impact of our products, and that of our customers.

1 DESIGN FOR ENVIRONMENT

Conserve energy. With ENERGY STAR®, the HP LaserJet M1319f MFP automatically reduces power consumption after a designated period of inactivity.

Lower power consumption. Save power automatically with energy intelligence that is built into HP printing products. Instant-on technology provides up to 50% energy savings over traditional fusing while providing a fast first-page-out in seconds.

2 MANUFACTURING

Use of fewer materials. HP LaserJet toner cartridge packaging uses 45% less materials compared to previous designs. The more compact package contains an innovative multi-chamber air bag that protects the cartridge from transport damage, dust, moisture and light, and 30% more cartridges can be shipped on one pallet (1500 more cartridges can be shipped in one ocean container).

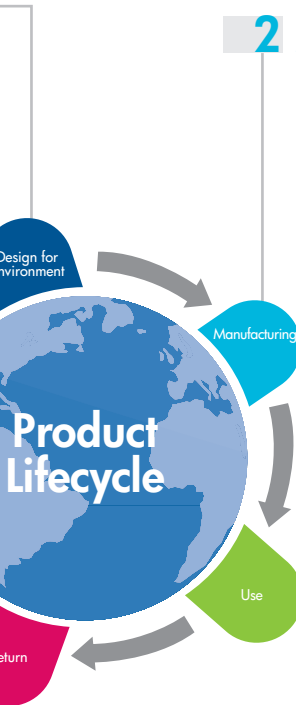

3 RECYCLE

Less waste through recycling. All returned Original HP print cartridges go through a multiphase recycling process where they are reduced to raw materials that are used to make new metal and plastic products.

4 RETURN

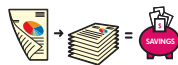

Simplify the management and disposal of products. Through HP Planet Partners¹ — a free, convenient return and recycling programme available in more than 40 countries.

3 USE

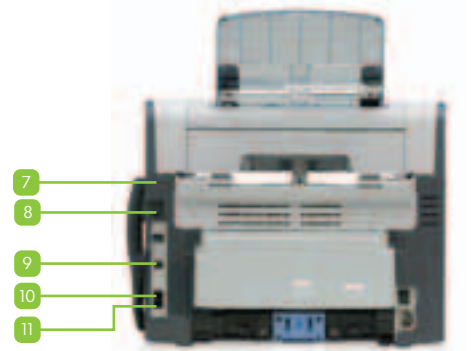

No more wasteful prints. Save paper with HP Smart Web Printing (a free download for users). It enables simple, predictable web printing and provides control over what you want and how you want it printed. You can select, store and organise text and graphics from multiple web pages, then edit and print exactly what you see on-screen, thereby making web printing more eco-friendly and less wasteful.

Use less paper. By printing on both sides with manual two-sided printing. Plus, easily produce 2-up and 4-up copies (multiple pages on a single sheet of paper) to conserve resources.

¹ Programme availability varies. HP printing supplies return and recycling is currently available in more than 40 countries, territories and regions in Asia, Europe, and North and South America through the HP Planet Partners programme.

HP LaserJet M1319f MFP

- 1 30-sheet ADF scanner quickly processes documents
- 2 Localised control panel with 2-line backlit LCD display and intuitive features
- 3 100-sheet face-down output bin
- 4 10-sheet priority slot
- 5 Adjustable 250-sheet input tray
- 6 Built-in handset allows the MFP to function as a phone

- 7 32 MB device memory and a 240 MHz processor quickly and easily handle complex jobs
- 8 Security-lock slot for Kensington lock to secure the MFP
- 9 Hi-Speed USB 2.0 port
- 10 RJ-11 line-out telephone port
- 11 RJ-11 fax port

Maximise the performance of HP LaserJet M1319f MFP with HP accessories and supplies

Q6264A

When you purchase an HP USB cable, connecting your computer to your printer is as easy as plugging in a lamp.

Q2612A

HP's all-in-one print cartridges with built-in intelligence are specifically designed with the HP LaserJet M1319f MFP to deliver consistent quality and reliable printing.

Choose from a selection of HP papers to create professional-quality documents in your office.

HP LaserJet M1319f MFP

Technical specifications

Print and copy speed¹	Up to up to 18 ppm (A4); 19 ppm (letter)
First-page-out	Printing: less than 8.5 seconds (letter); copying: less than 12.6 seconds (letter) Time To Completion for a typical office print job: in as fast as 18.5 seconds, A4; in as few as 18 seconds, letter ²
Resolution, enhancement technology	Up to 1200 x 1200 dpi; HP ImageREt, HP FastRes 1200
Features	
Copying	Resolution: up to 600 x 600 dpi, 24 bit depth; settings: contrast (lighter/darker), resolution copy quality, reduce/enlarge 25 – 400%, copy collation, number of copies, paper size
Scanning	Resolution: up to 600 x 600 dpi, 24 bit (up to 19,200 dpi enhanced); interfaces: walkup scanning via front control panel with Copy or Fax buttons, remote scanning via Scan-To software, HP Director (Macintosh), and TWAIN- or WIA-compliant software; supported file types: JPEG, TIF, BMP, GIF, PDF, PNG
Faxing	V34 fax modem: 3 seconds per page, fax speed: up to 33.6 kbps; resolution best mode: 300 x 300 dpi; digital storage for up to 500 pages, fax forwarding, delayed sending, ring detection, fax polling, broadcasting (up to 119 locations), speed-dial (up to 120 numbers), auto fax reduction, junk barrier, PC interface, auto redialing supported; integrated handset
Processor	240 MHz
Memory	32 MB
Recommended monthly volume³	500 – 2,000 pages
Maximum monthly duty cycle⁴	Up to 8,000 pages
Paper	
Handling	30-sheet automatic document feeder (ADF), 10-sheet priority slot, 250-sheet input tray, 100-sheet face-down output bin, two-sided printing (manual)
Sizes	Priority slot, 250-sheet input tray: 76 x 127 mm (3 x 5 inches) to 216 x 356 mm (8.5 x 14 inches); A4, A5, A6, ISO B5, IS B5, 16K (184 x 260 mm [7.24 x 10.24 inches]) to 197 x 273 mm (7.76 x 10.75 inches); J postcard (Hogaki), double J postcard (Oufuku Hogaki); letter, legal, executive, envelopes (No.10, B5, C5, DL, Monarch); ADF: 148 x 105 mm (5.83 x 4.13 inches) to 215.9 x 355.6 mm (8.5 x 14 inches); A4, A5; letter, legal
Weights	Priority slot, 250-sheet input tray: 60 – 163 g/m ² (16 – 43 lb); ADF: 60 – 105 g/m ² (16 – 28 lb)
Types	Paper (plain, preprinted, prepunched, bond, colour, letterhead, light, heavy, recycled, rough), envelopes, transparencies, labels, cardstock
Connectivity	
Interfaces	Hi-Speed USB 2.0 port, RJ11 fax port, RJ11 line-out telephone port
Languages	Host-based printing
Client operating systems	Windows [®] 2000, Windows XP [®] Home, Windows Server 2003, Windows Vista [®] ; Mac OS X v10.3.9, v10.4.0 and higher, v10.5.0 and higher
Security	Security-lock slot for securing the laser MFP with a Kensington lock (available for purchase via a third-party vendor)
Dimensions (w x d x h)	467 x 443 x 459 mm (18.4 x 17.3 x 18.1 inches)
Weight	10 kg (22 lb)
What's in the box	HP LaserJet M1319f MFP, power cord(s), introductory HP LaserJet black print cartridge, ⁵ USB cable, Getting Started Guide, support flyer, software and documentation CDs, control panel overlay, Readiris PRO text recognition software, 250-sheet input tray, output bin support
Warranty	One-year limited warranty
Environment ranges	
Temperature	Recommended: 15 – 32.5° C (59 – 90.5° F); Storage: 20 – 40° C (4 – 104° F)
Relative humidity	Recommended: 10 – 80%; Storage: 0 – 95%
Altitude	0 to 3,040 m (0 to 10,000 ft)
Power specifications	110 – 127 V (±10%), 60 Hz (±2 Hz); 220 – 240 V (±10%), 50 Hz (±2 Hz); Active: 365 watts; Sleep: 8 watts; Ready: 8 watts; Off: 0.1 watts; Typical Electricity Consumption (TEC): 1.662 KWh/Week ENERGY STAR [®] qualified models, see www.hp.com/go/energystar
Acoustics⁶	Power: Active: 6.4 B(A) printing, 7.4 B(A) copying; Ready: 3.1 B(A) Pressure (bystander): Active: 50 dB(A); Ready: 16 dB(A)
Power certifications	EMC: CISPR 22: 2005/EN 55022: 2006 Class B, EN 61000-3-2: 2000+A2, EN 61000-3-3: 1995+A1, EN 55024: 1998+A1+A2, FCC Title 47 CFR, ICES-003, Issue 4, GB9254-1998, other EMC approvals as required by individual countries; Safety: IEC 60950-1 (International), EN 60825-1+A1+A2 (Class 1 Laser/LED Device) GB4943-2001; other safety approvals as required by individual countries; Telecom: TBR21: 1998; EG 201 121: 1998; FCC Part 68, PTC-200 (New Zealand), AS/ACIF 5002: 2001 (Australia), IDA PSTN1 (Singapore), TPS002-01 (Malaysia), IG 0005-11 (Taiwan), HKTA 2011 (Hong Kong SAR), YD514, YD/T589, YD703, GB3382 (China)
HP SureSupply	To learn more, visit www.hp.com/suresupply

¹ Exact speed varies depending on the system configuration, software program, and document complexity. Copy speed measured by a single page on the flatted glass with number of copies set to 99. Based on ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory.

² An InfoTrends study shows the typical office print job is three to five pages long: www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf. Time To Completion of a typical office print job tested on HP and select competing products. Actual results may vary.

³ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

⁴ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs.

⁵ This MFP includes an introductory print cartridge. Average cartridge yield 1,000 standard pages. HP CB536A replacement print cartridge yields approximately 2,000 pages (average cartridge yield 2,000 standard pages. Declared yield varies with information with ISO/IEC 19752). Actual yields vary considerably based on images printed and other factors. For more information, visit www.hp.com/go/learnaboutsupplies

⁶ Values subject to change. See www.hp.com/support for current information. Power reported is the highest value measured using all standard voltages.
