HP Photosmart A636 Compact Photo Printer

Print, personalise and share your photos with this ultimate portable printer. Print full size 13 x 18 cm photos wherever you go – with or without a PC – and add captions, borders and other creative effects via the 12 cm touch screen.

The HP Photosmart A636 Compact Photo Printer is designed for anyone wanting the freedom to print lab-quality photos wherever they go, with the added fun of personalising with borders, captions and more via a large and easy-to-use touch screen.

View, select, edit and print using the intuitive 12 cm tilting touch screen.
Enjoy fingertip control of a whole range of photo printing tools via this big, bright 12 cm tilting touch screen. Use your finger or the included stylus to access the menus on the edge of the screen and view, select and edit your photos. You can draw directly onto your photos – try adding cartoon-style effects – or create captions by writing freehand or tapping on the touch screen keyboard. Choose from 20 different colour options for drawing and labelling and five font styles.

Make more of your photos with creative effects and full size 13 x 18 cm printing.
Get more from your photos with a whole library of creative effects and tools at your fingertips. Choose from more than 300 creative elements including borders and clip art, then print them in whatever size you want – right up to 13 x 18 cm – with or without borders. Try your hand at the 30 different tools and effects available with HP Design Gallery including pet-eye fix, sepia printing and touch-up, and create greeting cards and invitations with step-by-step on-screen help.

Discover how easy it is to print lab-quality, personalised photos – wherever you go.
Enjoy quick, easy printing wherever you go and get lab-quality photos with or without a PC. From the self-installing HP Quick Connect software to its convenient memory cards slots and automatic red-eye removal, this compact, portable printer makes photo printing effortless. You can add even greater versatility with an optional HP Bluetooth® adapter[1] and print direct from camera phones, or an optional rechargeable battery[1] that allows you to print wherever you want.
