

HP Wrinkle-free Flag Fabric

HP Wrinkle-free Flag Fabric is a fire-resistant (B1) and stitchable polyester flag with a removable liner that resists scratches¹. Excellent handleability helps reduce reprints and saves you money.

Ideal for mid-volume print service providers (PSP) looking for a flag fabric compatible with Latex and low-solvent inks.

This polyester flag offers exceptional durability and handleability. Scratch-resistance ensures easy installation. Save money with HP reliability and fewer reprints.

This 100% polyester flag fabric is fire-resistant (B1) for indoor applications but resilient enough for outdoor use. Its lasting durability and fire certifications meet indoor requirements.

This stitchable, wrinkle-free polyester flag with removable liner offers exceptional handleability, ensuring faster processing and easier installation.

¹Meets the following fire-resistant ratings: B1 / DIN 4102 (Germany)

HP Wrinkle-free Flag Fabric

Compatibility

For compatibility information, please refer to the latest Large Format Supplies Compatibility chart on www.hp.com/go/designjet/supplies

For the latest ICC/media profiles, please visit www.hp.com/go/designjet/supplies (click on ICC profiles and select your printer). For non-post script printers see your external RIP vendor.

Product specifications

Weight	120 g/m ² (without liner), 180 g/m ² (with liner) per ISO 536 Test Method												
Thickness	10.6 mil/270 microns (without liner), 12.4 mil/315 microns (with liner) per ISO 534 Test Method												
Lamination	Lacquering possible												
Mounting	Sew, grommeting, D-rings												
Finish	Matte												
Tear resistant	>16 MD / >30 CD per ASTM D1004 Test Method												
Tensile strength	>300 MD / >600 CD per TAPPI T-494 Test Method												
Operating temperature	15 to 35° C												
Operating humidity	30 to 80% RH												
Lightfastness (Indoor Commercial Window)	Greater than 3 years (with Latex, HP 790 and HP 780 ink supplies). For details: http://www.hp.com/go/supplies/printpermanence .												
Low-solvent Ink													
Flame Retardant	Yes, B1 / DIN 4102 (Germany)												
Waterfastness	Water-resistant												
Dry time	Less than 5 minutes (@ 23°C, 50% RH)												
Shelf time	1 year, unopened in original packaging												
Storage temperature	5 to 40° C												
Storage humidity	5 to 95% RH												
Country of origin	Product of Germany
