HP Officejet Pro 8500 All-in-One Printer

Create high impact colour documents and save as much as 50% per page compared with competitive laser printers¹ with this business all-in-one. Share high-speed two-sided printing between up to 5 users, plus built-in fax, scan and copy functions.

The HP Officejet Pro 8500 All-in-One is designed for micro/small business users wanting an energy-efficient, network-ready all-in-one capable of delivering premium-quality colour and black-and-white at an exceptionally low cost per page.

Print professional colour documents for a cost per page up to 50% lower than lasers².

Get professional print quality for high impact general office documents, with a cost per page as much as 50% lower than competitive lasers². Save on external print costs too – produce customised marketing materials as and when you need them. Handle documents straight from the printer with new generation HP Officejet pigment inks – specially formulated to deliver durable, water-resistant outputs³. Individual cartridges mean you need only replace those that run out.

Use as much as 50% less energy than lasers² and save paper too with this versatile 4-in-1.

Minimise your impact on the environment with this efficient, ENERGY STAR® qualified device – use up to 50% less energy than with competitive colour laser all-in-ones². Plus, save by having just one device to power, not four separate units. Reduce your paper usage too with digital fax – send and receive faxes electronically. Get more usable web pages with HP Smart Web Printing⁴. Convert paper documents into easy to archive and share digital files – no need for multiple paper copies.

Get more done with fast, reliable performance and a range of productivity-enhancing tools.

Boost productivity and share fast, reliable performance between up to 5 users via embedded Ethernet networking. Enjoy speeds equivalent to a laser printer with up to 15 black / 11 ppm colour⁵, plus the convenience of two-sided printing and a 35-sheet automatic document feeder. Make use of a range of digital solutions including scan-to-PC, fax-to-PC/Mac and HP Document Management Software. Monitor and control usage via a choice of management software solutions.

Standard applies to inkjet and laser products and excludes first set of test documents.

¹ Majority of colour laser AiOs <€600, June 2008, OJ Pro ISO yield with highest capacity cartridges based on continuous printing For details http://www.hp.com/eur/mybusiness

² Majority of colour laser AiOs <€600, June 2008, OJ Pro ISO yield with highest capacity cartridges based on continuous printing Energy use based on HP testing using the ENERGY STAR® programme's TEC test method criteria For details http://www.hp.com/eur/mybusiness

 $^{^3}$ HP internal testing, using ColorLok® papers

⁴ Requires Microsoft Internet Explorer 6.0 - 8.0

 $^{^{5}}$ Based on ppm measured using ISO/IEC 24734
