HP Coloured Paper Yellow is a 95 gram yellow paper ideal for retail sign applications where bright eye-catching indoor signs are required. HP Coloured Paper Yellow is designed for text use on large format HP inkjet printers. The paper's ultra bright yellow allows direct print for easy to print matte finish.

benefits

- Special inkjet treatment for a good match with HP inks in retail, POP applications
- High ink retention and a fast ink drying
- High quality print results with brilliant colours and sharp edge definition
- No glare matte coating
- High density inkjet receptive coating allows for moderately saturated images without puddling
- Unique fluorescent yellow colour
- No lamination required

Limitations: HP Coloured Paper Fluorescent Yellow is not water resistant or waterproof.

applications

- Retail signage/advertisements
- POS displays
- Hanging banners
- Short-term 'special offer' signs
- Trade show graphics

product specification

weight	95 g/m2
