HP Wireless Comfort Mouse Special Edition

HP Wireless Comfort Mouse Special Edition

Put beauty in the palm of your hand. The HP Wireless Comfort Mouse Special Edition has a glossy red Asian-inspired design and the latest features to track with precision, program mouse buttons to your use, and save energy.

- **A mouse you'll want to touch all day long**

Make a splash with the HP Wireless Comfort Mouse Special Edition high-touch design. The glossy red finish with Asian-themed art motif and special contoured edges give this mouse a distinctive style.

- **Designed for your comfort in mind**

Point and click in comfort. The HP Wireless Comfort Mouse Special Edition is symmetrical in design for comfortable use by both left- and right-handers. The rubber sides enhance control, while the rubber scroll wheel improves grip.

- **Optical performance you can count on**

Because there's no ball to clean, The HP Wireless Comfort Mouse Special Edition delivers tracking precision you need without getting bogged down by dirt or dust. The smooth, fast scroll wheel and Teflon feet track great on most surfaces.

- **Get more freedom and less cable clutter**

Go wireless! With no wires to tangle or limit movement, the HP Wireless Comfort Mouse Special Edition eliminates clutter. The small receiver installs effortlessly and saves space. Increase battery life with the integrated ON/OFF button

- **Programmable buttons obey your every command**

Your mouse, your way! Two additional programmable buttons easily accessible on the top left side allow you launch applications, control sound volume, navigate backward and forward, zoom in and out or launch your favourite websites.

- **Compatibility:** Compatible across all notebook and desktop platforms
