HP Mini 30W AC Adapter

Plug in and go with the HP Mini 30W AC Adapter

Get portability, practicality, and protection all in one. The HP Mini 30W AC Adapter is so light you can take it anywhere. Keep an extra one on hand and stay ready to plug in at home or work! Plus, the built-in surge protection keeps your PC safe.

- **Charge up and keep working on the go**
Don't let battery life stop you! The HP Mini 30W AC Adapter picks up where your battery leaves off. Just plug in and keep on working, playing or surfing, wherever you go.
- **Take your charger with you without adding excess weight**
Get total peace of mind knowing you can plug in and go wherever you are. Designed for ultra portability, the HP Mini 30W AC Adapter is one essential accessory you won't leave home without, especially when you feel how light it is.
- **Keep a handy extra adapter on hand at home or at work**
Stop searching for your power cord! Keep an extra HP Mini 30W AC Adapter on hand for when it's time to plug in and charge up. Keep working and playing longer, interruption-free, even when your battery runs low.
- **Guard your PC against power supply fluctuations with built-in surge protection**
Plug in and stay safe. The HP Mini 30W AC Adapter includes built-in surge protection to safeguard your PC against fluctuations in the power supply.
