HP Wireless Comfort Mouse Special Edition Black

HP Wireless Comfort Mouse Special Edition Black

Get great performance and advanced mousing with the black HP Wireless Comfort Mouse, which combines style and ergonomic features in a modern design, all at an affordable price

- **Sleek design**

The piano black finish, blue LED and contoured edges give this mouse a distinctive high-tech style

- **Wireless freedom and energy efficient**

No wires to tangle or limit movement. The small receiver installs effortlessly and helps to eliminate clutter. The integrated on/off button allows you to conserve battery power

- **Advanced scroll wheel**

A four-way tilt scroll wheel allows you to navigate right and left in addition to up and down. The smooth wheel and scrolling design has been optimised to provide both soft touch and speed

- **Comfort and control**

The rubber material on both sides gives you enhanced control and a comfortable feel while the symmetric design suits both left- and right-hand users

- **Optical performance and programmable buttons**

The high-precision sensor provides precise, smooth and responsive tracking. The Teflon feet give the mouse accuracy and progressive speed. Two programmable buttons allow you to launch applications, control volume, navigate and launch websites
