HP Notebook Speakers

Ultra-compact, portable and powerful sound.

Ideal travel companions, USB-powered HP Notebook Speakers are big sound in an ultra-compact and versatile package for both MACs and PCs, everywhere you go.

- **Compact package. Massive sound.**

For clear and crisp sound, HP Notebook Speakers deliver big with an ultra-compact package. Featuring a signal-to-noise ratio of 78 dB you won't miss a thing.

- **Take anywhere convenience.**

Never leave your sound at home. Ultra-compact - at under 7.6 cm's - and so lightweight, they can easily fit into your computer bag or backpack.

- **Clutter free and ready to play.**

Cut the cord clutter and turn on the sound. Simply plug into your USB port and enjoy immediate power without cables getting in your way. With no installation CD or software drivers required, it's sound straight out of the box - on both PCs and MACs.

- **Safe and sound, everywhere you go.**

Travel light with your protective travel case so you can always enjoy great sound on the go.

- **Lightweight for long distances.**

Big sound that's easy to carry. Small and lightweight for easy portability, HP Notebook Speakers let you stay mobile with minimal effort.

- **Compatibility:** Compatible across all notebook and desktop platforms
