

## HP USB Network Print Adapter

### Everything you need to share a printer or all-in-one with multiple PCs on your network

With the HP USB Network Print Adapter, there's no need to buy additional personal printers. Easily upgrade your existing printer or all-in-one (AiO) to share with networked desktops and notebook PCs.

#### Share all-in-one functions

Share printing, scanning, and faxing capability and access memory card and printer status from anywhere on your network.

Experience outstanding compatibility with the HP USB Network Print Adapter. This adapter is compatible with both wired and wireless networks and is ideal for your small business or home office.<sup>1</sup>

#### Set up in a snap

This small, lightweight 10/100 Ethernet adapter is simple to set up and enables you to print documents off your network instantly. You can easily set up the HP USB Network Print Adapter with a new or existing USB printer. Simply pop in the CD and follow the simple setup wizard.

#### Get peace of mind

The HP USB Network Print Adapter is backed with legendary HP reliability and a one-year warranty. Get the quality and compatibility you expect from HP!
