

HP LaserJet M1522 MFP series

M1522n • M1522nf

Multiple users can do more with this reliable, easy-to-use MFP—at just the right price.

A great value

Want an affordable MFP that takes care of business? Now you can get the professional print quality and time-saving features typically only available with HP's robust workgroup and department LaserJets. It's all in the innovative design of our easy-to-use, all-in-one print cartridge: featuring built-in intelligence and new, patented spherically shaped toner that delivers bold, crisp text and sharp images at fast speeds. Boost workteam efficiency with built-in networking. Count on broad compatibility, proven reliability, improved security, IPv6 support, and exceptional device management tools.

Powerful features

Experience worry-free operation and refresh your MFP with Original HP print cartridges. They communicate with the MFP to automatically optimize print quality, provide alerts when supplies run low, and facilitate convenient supplies reordering.

Order at the first alert, click Snooze to postpone ordering, or shop anytime with the new Shop for Supplies desktop icon that links to HP SureSupply.¹

Designed to fit seamlessly into your office environment, the MFP supports Windows Vista™ and numerous other operating systems. Easily print complex documents with high-end printer languages, including PCL5e, PCL6, and HP postscript level 3 emulation.

Fax documents at up to 33.6 kbps and enjoy digital storage for up to 300 pages. Use private receive to securely store faxes on the device until you are ready to print them. And with Fax/Tel, your MFP will determine if the call is a voice or a fax call, eliminating the need for a separate fax line.²

Fast multi-tasker

Do more—three times more—with one compact device that prints, scans, copies, and faxes.² The MFP features print and copy speeds of up to 24 pages per minute (ppm). Other MFPs need time to warm up before printing the first page, but with Instant-on Technology³, typical office jobs print up to two times faster from Powersave than devices without Instant-on Technology. And Instant-on Copy with LED-based technology delivers your first copy in seconds—even first thing in the morning.

¹ For more information, visit www.hp.com/learn/suresupply.

² Fax capabilities are included on the HP LaserJet M1522nf MFP model only. A handset is required to use the FaxTel feature.

³ Instant-on Technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of Powersave mode so your print job is done sooner. An InfoTrends study shows the typical office print job is three to five pages long: www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf. See HP average print times versus competition: www.hp.com/go/whywait.

Saves valuable time

The HP LaserJet M1522 MFP series is designed to save you time and effort with powerful management tools:

- Included with the product installation CD, HP ToolboxFX lets you interact with your MFP from the comfort of your desk, with configuration, status, and support for every feature.
- HP Easy Printer Care Software is a tool that helps smaller businesses manage up to 15 HP printers or MFPs.⁴
- HP Web Jetadmin is a simple fleet management utility for remotely installing, configuring, monitoring, and managing a wide variety of HP and non-HP printing and imaging devices from anywhere on the network.⁵
- The HP Embedded Web Server provides a universal interface to the device that anyone with a network-connected computer and a standard Web browser can easily access.

Legendary reliability and support

Reliable devices lower your overall labor costs by minimizing downtime. PC Magazine (September 2007) recently gave HP the Reader's Choice award in its annual service and reliability survey for the 16th year in a row. No other printer vendor can claim this record.

Award-winning customer service and support backs your MFP with a one-year limited warranty, knowledgeable online support available 24/7 at www.hp.com/support, and phone support provided by trained HP agents. Plus, you can enhance your warranty protection with affordable HP Care Pack Services.

Meets users needs

The HP Universal Print Driver for Windows is the single driver that gives users instant access to virtually any HP LaserJet printer or MFP, without downloading separate drivers.⁶ Count on plug-and-play ease, effortless printer discovery, customized printing, and broad compatibility.

Get the most out of your MFP with HP accessories, supplies, and services.

⁸ Exact speed varies depending on system configuration, software program, and document complexity. Copy speed measured by a single page on flatbed glass, multiple copies. ADF copy speed: up to 15.5 cpm letter.

⁹ Based on ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory.

¹⁰ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

¹¹ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

¹² Average introductory cartridge yield 1,000 standard pages. HP CB436A replacement print cartridge yields approximately 2,000 pages. (Average cartridge yield 2,000 standard pages. Declared yield values in accordance with ISO/IEC 19752). Actual yields vary considerably based on images printed and other factors. Please visit www.hp.com/go/learnaboutsupplies.

¹³ Values subject to change. See www.hp.com/support for current information. Power numbers are the highest value measured for all models using all standard voltages.

¹⁴ Acoustic values are subject to change. See www.hp.com/support for current information. Configuration tested: M1522nf model, simplex printing or copying, A4-size at average print speed of 27 ppm.
