<sup>1</sup> HP+ offer of 6 months free trial to be combined with a \$10 credit that will be added to your account. This will cover 12 months of service on a monthly \$4.99 plan. Other plans are available for different lengths of time. After you have successfully registered your printer and created your HP Connected Account and Service Account, you must redeem your offer and select an Instant Ink plan. The Service begins when the offer is redeemed. Roll-over allows unused pages in a month to be placed in a rollover account and then applied to pages in excess of your monthly allowance. The rollover account balance is limited to a maximum of twice the pages available in your plan. The ink balance will be decremented for any overage fees, resulting in less months of printing. Redeeming your offer requires internet connection to eligible HP printer, email address, and delivery service in your geographic area. Printers you are directed to the Internet for program participation. Unless service is cancelled within promotional period online at <http://www.hp.com/plus> or in-store, plus tax and overage fees will be charged to your credit/debit card. One offer redeemable per printer. Offer valid through December 31, 2022. Offer cannot be redeemed for cash. For service details, see <http://www.hp.com/plus>. <sup>2</sup> Requires the HP Smart app download. For details on local printing requirements see <http://www.hp.com/go/plus>. Certain features/software are available in English language only, and differ between desktop and mobile applications. Subscription may be required, subscription may not be available in all countries. See details at [http://www.hp.com/plus. Internet access required and must be purchased separately. HP account required for full functionality. List of supported operating systems available in app store. Fax capabilities are for sending fax only. After 2 years, monthly fee applies to continue advanced features with HP Smart Advance. HP Smart Advance is not available in all countries. For more information, see <http://www.hp.com/plus>. <sup>3</sup> Wireless operations are compatible with 2.4 GHz and 5.1 GHz operations only.
