Product Description

For users of the latest MacBooks, Surface devices & other Thunderbolt™ 4 enabled laptops, the SD5780T is the ideal docking station. A single Thunderbolt 4 cable provides a plug-and-play connection supporting up to two 4K monitors. The same cable keeps your device charged with 96W Power Delivery and allows you to connect your mouse, keyboard and other USB devices. All supported by ultra-fast 40Gbps data transfer speeds, so your productivity is never compromised. At home or in the office, if you're looking for the latest Thunderbolt technology to connect multiple monitors and devices, the universally compatible SD5780T Thunderbolt™ 4 Dual 4K Docking Station with 96W Power Delivery is for you.

Features
