

## Philips PerfectCare 6000 Series Steam Generator

PSG6064/86

- Powerful steam for top quality
- Guaranteed no burns\*
- 1.8 L detachable water tank
- Convenient compact design
- Fast heat-up time

## Great performance with the Philips PerfectCare

The PSG6064/86 is ultra-fast and extra compact

- Safe-carry lock for safe and easy transport
- Automatic shut-off when iron is left unattended
- Easy De-Calc to extend the lifetime of your iron
- Lightweight and compact for easy use and storage
- Powerful steam for crease removal
- OptimalTEMP technology, no burns guaranteed
- 1.8 L detachable water tank for easy refilling
- SteamGlide Advanced soleplate: ultimate gliding and durability

# Highlights

## Safety carry lock

Lock your iron securely to the base station for easy carrying around the house and to reduce the risk of accidentally touching the hot soleplate.

## Auto-shut off

Auto-shut off to save energy and for peace of mind

## Easy descaling

It's easy to maintain your steam generator with Smart Calc Clean, our built-in descaling system. It will remind you when it's time to descale and includes a container to make descaling easy and safe. Since it is reusable you will save money and never need to buy extra cartridges.

## Compact and convenient

Thanks to its compact size it's light and easy to handle as you iron your clothes. It even fits on your ironing board. But don't think smaller means less powerful. Thanks to our exclusive ProVelocity technology, we've made powerful steam generators that are lightweight and more compact than ever.

## Powerful steam

Strong, continuous steam for effective crease removal of even the most stubborn creases on the thickest fabrics.

## OptimalTEMP

With OptimalTEMP technology you achieve great results with one ideal temperature setting. We guarantee that this iron will never burn any ironable fabric when it is left unattended. You can safely leave it resting on your clothes or ironing board.

## 1.8 L detachable water tank

A 1.8-litre transparent tank gives you up to 1.5 hours of continuous use. See clearly how much water is left and refill easily at any time under the tank through the large filling door.

## SteamGlide Advanced soleplate

Philips' Solgel 4.0 technology uses an Advanced Nano-Titanium layer which provides superior gliding performance on all garments, while ensuring a comfortable ironing experience with its light-weight soleplate.

# Specifications

## Technology

ProVelocity steam engine: Yes  
OptimalTEMP technology: Yes

## Easy to use

Drip stop: Yes  
Tap water suitable: Yes  
Detachable water tank: Yes  
Precision steam tip: Yes  
Refill at any time during use: Yes  
Ready to use: Sound & light indicator  
Safe on all ironable fabrics: Yes  
Soleplate name: SteamGlide Advanced  
Refill any time: Yes  
Easy to set up and store: Compact design  
Safety auto off: Yes  
Safe for all fabrics: Yes  
Hose length: 1.6 m  
Power cord length: 1.65 m  
Soleplate scratch resistance: 5 stars  
Soleplate gliding performance: 5 stars  
Heat-up time: 2 minute(s)  
Water tank capacity: 1800 ml

## Fast crease removal

Vertical Steam: Yes  
Power: 2400 W  
Pressure: 8 bar  
Steam boost: Up to 600 g  
Continuous steam: 130 g/min  
Voltage: 220–240 V

## General specifications

Safety carry lock: Yes  
Power cord storage: Velcro fix  
Hose storage: Compartment  
Auto shut-off: Yes

## Accessories

Calc Clean container: Yes

## Calc management

Suitable for tap water: Yes  
Calc clean solution: Smart Calc Clean  
Calc clean reminder: Sound & light indicator

## Guarantee

2 year worldwide guarantee: Yes

## Crease removal
