### Expand Your Horizons

Carrying the world on your shoulders never felt so light and stylish with this one-bag travel companion. And if you need even more room, just unzip and expand up to 30L of capacity. With that much space, you're good to go for at least a long weekend.

### A Pocket for Everything, Literally

With almost countless organization compartments, pockets, stash spots, and hidey holes, this backpack is like a walking organizer. Devices, clothes, snacks, souvenirs, whatever...pack it all in. Quick access pockets on the inside and out keep you from digging for days. We bet you can find what you need without even looking.

### Comfort Wherever You Go

This sleek and lightweight bag may hold more than you think to get you and all your stuff where you're going--all while keeping you comfortable. Strap in for the long journey with comfy shoulder straps and sternum straps. Put everything in its perfect place--from water bottles, to jackets, and anything in between. Meet your new favorite travel companion.

## Sustainability in action

### Backpack's Got Your Back

Travel easy knowing your stuff is safe inside with a tracker pocket to store your tracking device[1], a hidden RFID-blocking pocket to keep your data safe from digital pickpockets, and even lockable zippers on the main compartment. Now that's some futuristic backpack stuff right there.

## Featuring

**See The World, Help The Planet**
Traveling the world has never felt lighter with a backpack that contains 100% recycled plastic in the external material[2]. Have peace of mind knowing that there's 13 less plastic bottles out there[2].
