Issue date: 2026-08-05 Version: 0.332

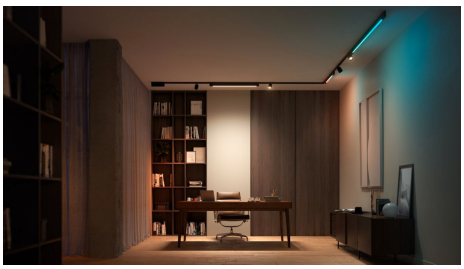

Highlights

Be your own lighting designer

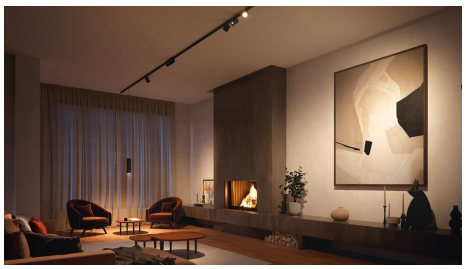

Perifo track lighting doesn't just look good – it looks any way you want it to. Start with a kit and combine spotlights, pendants, light bars and more to illuminate your home the way you like.

Completely customisable

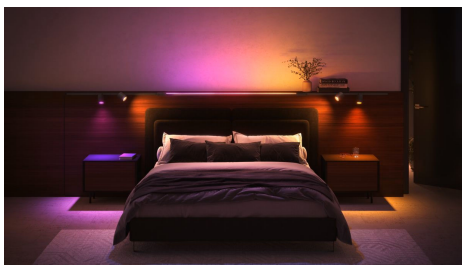

Perifo track lighting is completely customisable – even after it's installed – thanks to its easy click-in design. Add more lights, move them around on the tracks or even extend your track lighting whenever you like.

Flexible design

Angle the spotlights. Lower or raise pendant lights. Rotate the gradient light tube. Perifo lights can be fine-tuned to shine where you want them.

Made for ceilings or walls

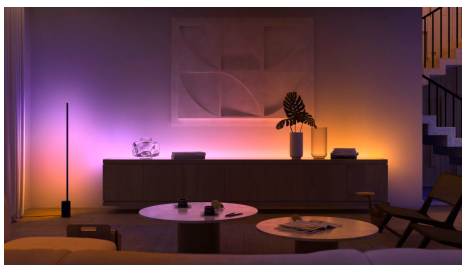

Perifo track lighting offers both a ceiling and wall kit so you can choose exactly how you want to light your home.

Control it your way

Connect your Philips Hue lights with the bridge and start discovering the endless possibilities. Control your lights from your smartphone or tablet via the Philips Hue app, or add switches to your system to activate your lights. Set timers, notifications, alarms and more for the full Philips Hue experience. Philips Hue even works with Amazon Alexa, Apple Homekit and Google Home to allow you to control your lights with your voice.

Create a personalised experience with colourful smart light

Transform your home with over 16 million colours, instantly creating the right atmosphere for any event. With the touch of a button, you can set a festive mood for a party, turn your living room into a movie theatre, enhance your home decor with colour accents, and much more.

Unlock the full suite of smart lighting features with the Bridge

The Bridge unlocks the features that make smart lighting truly smart – away-from-home control, voice control, automated lighting and much more. Add a Bridge to your setup to create immersive experiences, tap into technology that's secure and reliable, and more. The Bridge is the key to smart lighting like you've never seen before.

Set the right mood with warm-to-cool white light

Choose from over 50,000 shades of warm-to-cool white light to create the perfect ambiance in your home for each activity and time of day. Use bright, white light each morning to start the day energised and alert, or match your evening wind-down routine with a dim golden glow.
