

BUSINESS DEVICES THAT ARE A CLASS APART

The Lenovo V Series provides security, data protection and productivity features in an affordable package.

Lenovo V14 G2 ITL

Smarter
technology
for all

Lenovo

If you have a fixed budget but still need to support more mobile workers, consider this 14" entry-level laptop. It comes with fast charging, Dolby Audio, an optional NVIDIA graphics card, and a narrower frame around the display which reduces the overall footprint of the device. Choose from M.2 SSD, HDD or dual drive storage technologies.

REASONS TO BUY

Thoughtful design features include an anti-glare display that makes working outdoors easier, and a large touchpad for easier scrolling, zooming and navigation.

Lenovo Vantage application enables users to keep their device up to date and access settings from intelligent cooling, to managing blue light reduction in the display or adjusting audio for the perfect meeting experience.

This affordable laptop is ideal for basic productivity tasks, supporting smooth multitasking of browser windows and office applications.

Lenovo V14 G2 ITL
