Comfort. Reliability. Value.

Make the most of every call. The EncorePro 300 Series, contact center headsets, are good for workers, callers, and your bottom line. Long-lasting comfort. Total reliability. Noise canceling so customers hear clearly. And exceptional value.

Get top quality audio

Give your teams and customers the quality audio you expect from Poly, with a flexible noise-canceling microphone to tune out background buzz and chatty neighbors.

Make conversations clear

Better understanding leads to better outcomes, and happier customers. That's why we use voice-optimized frequency response to make conversations clearer – and more accurate.

Featuring

Flexible microphone boom

Give your teams and customers quality audio with a flexible noise-canceling microphone.

Acoustic protection

SoundGuard Digital uses sophisticated algorithms to provide additional acoustic protection, above and beyond the protection of SoundGuard while it maintains natural-sounding speech.

Inline call controls

Make every call productive, with inline call control for easy volume adjustment and muting (USB versions only).¹

Voice-optimized frequency

Create clearer and better conversations with voice-optimized frequency response.¹

Fold flat earpieces

Help agents stay responsive and comfortable with ear cushions that fold flat and around-the-neck placement between calls.¹
