

# Poly Sync 20 USB-A Speakerphone

\*Product image may differ from actual product

## Quality sound made portable

Sound like the professional you are with Poly Sync 20 USB/Bluetooth® smart speakerphone – for conference calls and music anywhere you work. Take it wherever you go – it's got up to 20 hours of talk time.

### Dynamic audio

Enjoy remarkable sound from meetings to music and reduced echo and noise so you can be heard clearly.

### Works the way you do

Program your favorite function so it works with a single touch – whether you want to play/pause music, last-number redial, or access voice assistant.

### Personal. Powerful. Portable

Take it wherever you go – its battery lasts for hours. You'll always hear and be heard, and never miss a word.

## Featuring

### Three-microphone array

Keep the focus on your voice, not the background noise, with a multi-microphone array for echo and noise reduction.

### Full-duplex audio

Makes simultaneous conversations a breeze with full-duplex audio.

### Smartphone charging

Keep your smartphone charged and ready using the USB-A port.

### Up to 20 hours of battery life

Work on the go – the battery stays charged for up to 20 hours.

### Wireless connection

Connect wirelessly to smartphones via Bluetooth® or to computers with the integrated cable.

### Communications platforms

This speakerphone is optimized and certified to work with top virtual meeting providers.
