### Get top quality audio

Give your teams and customers the quality audio you expect from Poly, with a flexible noise-canceling microphone to tune out background buzz and chatty neighbors.

### Make conversations clear

Better understanding leads to better outcomes, and happier customers. That's why we use voice-optimized frequency response to make conversations clearer – and more accurate.

**Flexible microphone boom**  
Give your teams and customers quality audio with a flexible noise-canceling microphone.

**Acoustic protection**  
SoundGuard acoustic limiting technology is used to protect against Acoustic Shock by limiting sounds to below 118dBA.

**Poly Quick Disconnect (QD)**  
Enable your flexible workforce with the features they need and use every day, like Poly Quick Disconnect (QD).

**Voice-optimized frequency**  
Create clearer and better conversations with voice-optimized frequency response.

Datasheet

# Poly EncorePro 310 Monoaural with Quick Disconnect Headset TAA
