

MPN: PE110440SJT-IT

Power cord NEMA 5-15P to C13, 4m, AWG14, SJT

The PE110440SJT-IT Power Cord offers a reliable and durable solution for connecting your devices to a power source. This 4-meter power cable features a NEMA 5-15P plug on one end for standard North American outlets and a C13 connector on the other, making it ideal for powering computers, monitors, and other electronic equipment. Built with AWG14 SJT cable, this power cord provides excellent conductivity and can handle higher amperage loads safely. MicroConnect's commitment to quality ensures this cable meets stringent European design and quality standards, giving you peace of mind and a secure power connection. Trust MicroConnect for pioneering innovation in connectivity solutions, backed by 20+ years of industry experience.

Specifications
