GXT 1323 Altus Gaming Headset - black camo (for Amazon)

Quality Soundscape

Get in the game with immersive and precise audio. The Altus gives a high-quality sound experience, with a deep bass that sucks you right into any game, and transports clear audio to never miss an instruction or even the faintest sound.

Go Camo

Outfitted in a black camo design, the Altus gives that extra edge to your gear. These headphones will make you feel battle ready the moment you put them on.

Lightspeed Control

The control on the earcup gives you quick access to regulate the volume of the headphones, and with the instant microphone mute, you can easily turn off the microphone if you don't want to be heard. The 1m nylon braided cable with multi-purpose connection ensures that you can connect on any device, from console or laptop to phone or tablet. You've got the power.
