

G86-6XXXX SPOS

Small-sized, multifunctional keyboard with encryptable magnetic card reader

Models may vary from the image shown

Compact, multifunctional keyboard with encryptable magnetic card reader, enhanced 135/123 position key layout, and optional touchpad

Don't let the compact, space-saving size fool you! This POS keyboard is a powerhouse equipped with powerful "CHERRY Tools" configuration software which allows for quick product set-up and configuration. Its robust design complete with IP 54 spill and dust resistant key field is perfect for harsh environments. In addition to the QWERTY layout, the keyboard houses an encryptable 3-track magnetic stripe reader, ideal for dual insertion for bi-directional swipe of magnetic stripe cards.

FUNCTION AND PERFORMANCE
