(269x270x67mm)

Enhanced Parental Controls
Create profiles, set restriction, establish bedtime, block specific web domains, and pause the internet

AI Assistant
Usage reports to keep you up to date and Proactive app provides notifications and usage reports to help you manage your network traffic

One Connection – Infinite Possibilities

- Wi-Fi 6 is better, faster and more efficient, with improvements like:**
 - Beamforming technology makes Wi-Fi connections more precise
 - Target Wake Time for longer device battery life
 - More Wi-Fi streams for shorter response times
 - BSS coloring for less interference
 - OFDMA for more throughput
- AX3200 Speeds**
Up to 800 Mbps (2.4 GHz) + 2402 Mbps (5 GHz)
- Mesh Smart Roaming**
Create whole-home mesh Wi-Fi with one network name and automatically connect as you move through your home
- Expandability**
The Eagle Pro AI series can scale to any size home for dead zone free Wi-Fi coverage
- Connectivity**
The Eagle Pro AI app provides notifications and usage reports to help you manage your network more efficiently
- Improvement**
Mesh nodes collaborate with each other to optimise network traffic
- Optimisation**
The Eagle Pro AI engine automatically keeps you on the optimal channel

Technical Specifications
Model: R32
Firmware: 1.00
Dimensions: 110 x 110 x 110 mm
Weight: 100g
Power: 10W
Ports: 1x Ethernet, 1x USB, 1x Antenna
Features: Wi-Fi 6, AX3200, Mesh, AI Assistant, Parental Controls

System Requirements
For setup using Eagle Pro AI app:
• iPhone, iPad or Android smartphone or tablet
For setup using a computer:
• Internet Explorer 11, Firefox 42+, Google Chrome 42+, or Safari v6 and up
• Ethernet or Wi-Fi adapter

Package Contents
• AX3200 Smart Router R32
• Quick Start Guide and Warranty Information
• Power adapter
• Ethernet cable

Authorized Representative in EU:
D-Link (Europe) GmbH
Schwanthaler Strasse 14, 65760 Eschborn,
Germany

Importer for UK:
D-Link (Europe) Ltd.
Antaris Building, Odyssey Business Park,
West End Road, South Ruislip H44 6QJ,
United Kingdom

Works with Amazon Alexa and Google Assistant for convenient voice control

Clean Network
Compliant with the latest security standards like WPA3 and IEEE 802.11ax

Gigabit Ports
Plug in smart TVs, game consoles, and other devices for a fast and reliable connection

Wi-Fi 6 Performance
Future-proof your Wi-Fi with coverage that's faster, more efficient and more efficient
