

CWAA0980

Product Model CWAA0980

Manufacturer Fujifilm

Product Type Waste Toner Bottles

Yield 6000 pages

Suitable for

Fujifilm Apeos C325dw (Contract)

Fujifilm Apeos C325z (Contract)

Fujifilm Apeos C325z

Fujifilm Apeos C325dw

Fujifilm ApeosPrint C325dw

Fujifilm ApeosPrint C325dw (Contract)

Product Type Description Every time a laser imaging device prints a page, a tiny amount of toner is left on the drum which is scraped off and deposited into waste toner bottle.

Eventually the waste toner bottle fills up and needs to be replaced. Machines will usually stop printing when the waste toner bottle fills up to avoid overflows, and will refuse to print until the bottle is replaced.
