

Poly Voyager 5200 USB-A Office Headset TAA

*Product image may differ from actual product

Keep the conversation going, anywhere

Workers in and out of the office need a Bluetooth® headset that moves with them. Voyager 5200 Office Series headset system sounds professional in any environment whether connected to a desk phone, PC or mobile.

Distraction-free calling

Sound professional in any environment when connected to a desk phone, PC or mobile.

Connections made easy

Simplify your workspace - designed for seamless connectivity to your desk phone and PC.

Make it your own

Customize your personal devices with Poly Lens to meet your collaborative needs and workstyle.

Featuring

Four-mic noise canceling

Four mics and adaptive Digital Signal Processors (DSP) that work together to cancel background noise.

Smart sensor technology

Smart sensors answer calls by simply putting on the headset and mute by taking the headset off.

Take the call anywhere

WindSmart technology detects wind and responds accordingly so your voice is heard clearly-especially outdoors.

Enhanced audio alerts

Audio alerts, caller ID, and voice answer - all from the headset.

Two-way base

Two-way base connects to desk phone via telephone interface or EHS cable¹ and to PC via USB-A cable.

Communication platforms

This headset is optimized and certified to work with top virtual meeting providers.
