

Philips

Wireless hi-fi headphones

• Over-ear

SHC8535/10

Wireless freedom, clear sound

Freedom to enjoy music at home. With the HiFi sound reproduction, this Philips SHC8535/10 stereo headphone is the ultimate in personal convenience.

Benefits

You'll forget you're wearing them!

- 3-way adjustment for a better fit and bass performance
- Preformed soft ear-cushions ensure a comfortable fit

The perfect wireless listening experience

- The whole ear is covered to optimize sound quality
- 40mm speaker driver delivers sound without distortion

• Convenient automatic tuning ensures best reception

Always ready to go

- FM Wireless transmission for freedom of movement
- Simple, convenient charging with a wireless dock

Features

3-way adjustable ear shells

Enjoy a comfortable fit and experience better bass performance thanks to the three-way adjustable ear shells that fit naturally around your ears.

Full size design

Full-size earshells of these Philips headphones not only cover your whole ear for better sound quality, but also provide space for a larger, higher performance driver.

40 mm speaker driver

The 40 mm speaker driver is made of a composite mylar material for a highly sensitive yet powerful element that delivers sound without audible distortion.

FM Wireless transmission

With high frequency FM wireless transmission, which can even pass through walls, you can even listen to your music when you're in another room.

Convenient automatic tuning

Preformed soft ear-cushions
