Headphone Stand- STABLE AND SAFE

• Headphone Stand- STABLE AND SAFE: The aluminum alloy center post is sturdy yet slim. Rubber stabilizers below the stand keep the stand well-planted on all surfaces. The soft, protective rubber covering prevents scratches or damages to the earphones. High quality ABS and TPU rubber-like material is safe and durable and a great complement for the Bose QuietComfort 25, QuietComfort 35, Gaming Headset Stand, Beats Solo 3, Beats Solo 2, Sony Playstation etc.
• EASY TO ASSEMBLE: Quick and easy to assemble thanks to its simple 3-part assembly. This headphone stand, once assembled, is both beautifully designed and stable.
• SPACE-SAVING: If you are not using the headphones, you can keep them away in an easy, safe, and space-saving manner which is perfect for both offices and homes! Always have your headphones easily locatable.
• USE: Suitable for most types of over-ear headphones including Bluetooth headphones, noise-cancelling headphones, gaming headphones, handphone headphones, children's headphones and many more. It's also a must-have for gaming users as it provides a quick and space-saving manner for you to to safely and conveniently take off your headphones anytime.
• LONG WARRANTY: Our confidence in the product is why we are offering a 5-year warranty which assures you of the reliability of the product. Under normal use, this warranty is our guarantee to you that the product will not suffer any any damage. Your satisfaction is important to us.

DESCRIPTION

Ewent Aluminum Headphone Stand:
A small, light and fashionable stand which is easy and convenient to carry around
Unique Features:
The headphone rest is made of an elastic TPU rubber-like material which prevents slipping and is widely compatibility with most headphone sizes.
Attractive design:
The stand's nice, sophisticated, and trendy design makes it a perfect complement for any computer, be it Apple, HP, Lenovo, ASUS, etc.
Universal Compatibility:
The aluminum headphone pole mount can be used with any wired or wireless headphones regardless of their brands
Children's room:
Are you annoyed with the clutter in your children(s) room? An Ewent headphone stand will make the room much tidier. The headset will not come in your way, and the headphone cable can be managed. The stand doesn't take up a lot of space on a desk or counter and keeps things tidy.
Indispensable for your home or office desk
Have the headphones gathered in one place without leaving them everywhere.
Instead of leaving your headphones randomly lying on the table, have your headphones organized and gathered.
Soft silicone plate, better grip
The upper plate of the support not only protects the surfaces of what the stand hangs on, it also does not scratch items on it and prevents sliding. The upper plate is also made of a durable material.
Anti-slip
The lower plate has four small pads made of non-slip material which prevent the stand from unnecessarily moving wherever its placed.
