

# Product data sheet

Specifications

2 Socket-outlet, New Unica, 2P + E tamperproof, 16A, French, shutter, screwless terminals, IP3x, antibacterial, red

NU306103

## Main

|                             |                    |
|-----------------------------|--------------------|
| Range                       | New Unica          |
| Device application          | Power supply       |
| Product or component type   | Socket-outlet      |
| Device presentation         | Mechanism          |
| Socket number               | 2                  |
| Outlet poles configuration  | 2P + E tamperproof |
| Outlet standard             | French             |
| Outlet standard description | Pin earth          |
| Ground lug position         | 45° ground lug     |

## Complementary

|                                |                                                                                                         |
|--------------------------------|---------------------------------------------------------------------------------------------------------|
| Cover type                     | With shutter                                                                                            |
| Device mounting                | Flush                                                                                                   |
| Rated current                  | 16 A                                                                                                    |
| [Ue] rated operational voltage | 250 V                                                                                                   |
| Network type                   | AC                                                                                                      |
| Network frequency              | 50/60 Hz                                                                                                |
| Number of modules              | 4 modules                                                                                               |
| Fixing mode                    | Clip-in                                                                                                 |
| Colour tint                    | Red (Pantone 1795C)                                                                                     |
| Connections - terminals        | Screwless terminals                                                                                     |
| Cable cross section            | 0...2.5 mm² cable(s), 2 - cable stiffness: flexible<br>0...2.5 mm² cable(s), 2 - cable stiffness: rigid |
| Minimum load breaking capacity | 100 operations 1.25 In and 1.1 Un, cos phi = 0.6                                                        |
| Electrical durability          | 10000 cycles, cos phi = 0.8                                                                             |
| Insulation resistance          | > 5 MOhm at 500 V                                                                                       |
| Dielectric strength            | 2000 V                                                                                                  |
| Material                       | PC: mechanism cover                                                                                     |
| Surface finish                 | Glossy                                                                                                  |

|                               |                                                                                                                                                                                                                                                                                                                                     |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Quantity per set              | Set of 1 without packaging                                                                                                                                                                                                                                                                                                          |

## Packing Units

|                              |        |
|------------------------------|--------|
| Unit Type of Package 1       | PCE    |
| Number of Units in Package 1 | 1      |
| Package 1 Height             | 9 cm   |
| Package 1 Width              | 4.5 cm |
| Package 1 Length             | 4 cm   |
| Package 1 Weight             | 71 g   |
| Unit Type of Package 2       | BB1    |
| Number of Units in Package 2 | 10     |
| Package 2 Height             | 8 cm   |
| Package 2 Width              | 22 cm  |
| Package 2 Length             | 28 cm  |
| Package 2 Weight             | 864 g  |
| Unit Type of Package 3       | S04    |
| Number of Units in Package 3 | 90     |
| Package 3 Height             | 30 cm  |

|                  |          |
|------------------|----------|
| Package 3 Width  | 40 cm    |
| Package 3 Length | 60 cm    |
| Package 3 Weight | 8.475 kg |
